

Past Life Regression Testimonial Dec. 8, 2012

Dear Rose,

I just want to say thank you for the past life regression you did for me. It was the most wonderful experience I have ever had. It was amazing to find out I was once an Indian healer .Finding out about her helped me to understand why I am so ritualistic and why I was so sure I am to do something with energy. Then talking to my higher self was eye opening. Just knowing I am on the right track is amazing. Her voice was so very strong there was no denying who was communicating. Her confirmation that I am working on what I need to work on was wonderful and helped me to see I am headed in the right direction. I had been through so many rough years and lost my communication with spirit. But right after our session my communication came back just as strong as it was before my issues. Now I receive guidance on a daily basis. I am so looking forward to more sessions with you and excited about life again so thank you, thank you, thank you!

I love you and hope to see you real soon.

Hugs Shirley Willis
