

February 2012

Rose has helped me a lot in my spiritual growth as a person. I have taken The Healing With Angels course which has helped to be more in tune with myself and how our angels help in everyday life if you want them too.

I also talk to Rose when I am unsure of my intuition and guidance. Rose is always there to answer my questions and to guide me.

Thanks Rose

October 2012

I just want to give a testimonial about Rose's work. Rose has helped me tremendously with my spiritual growth and working with the angels and higher self.

I have learned so much from Rose in the last year. I have learned to listen to my higher self and grow more each day through the guidance Rose has shared with me.

Thanks Rose

Keep up the work
